

How to view the activity and results of a class

1
Log into Spellzone.

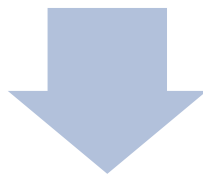

2
Click 'Classes'.

3
Click on the name of the class that you would like to view.

4
Scroll to bottom of page.

5
Select the results to view from 'Results for all students: View completed tests for all students, View completed pages for all students, View Spelling Ability Tests for all students or Log for all students: View log for all students.'

Notes:

**You can change the date range to suit your reporting requirements.
You can download completed pages, completed units and spelling test results as excel files.**
