

Word list: The Slab Boys Trilogy by John Byrne

*The Slab Boys* trilogy by John Byrne is a series of plays set in a 1950s Scottish carpet factory. The trilogy follows the lives of young working-class boys, Phil and Spanky, as they navigate the challenges of their workplace and relationships, and dream of escaping their mundane lives. Byrne captures the struggles, dreams, and social dynamics of the characters, offering a vivid portrayal of post-war Scotland
