

Handwriting sheet: Precursive Arrow worksheet

Word list: Words with doubled letters

These words follow the doubling rule, where the final consonant doubles when adding a vowel suffix to a word ending in a single short vowel and one consonant.

For example:

flap + *-ing* flapping

dip + *-ed* dipped

This pattern helps keep the vowel sounds short and clear. The list below includes examples to help you recognise and apply this rule.

flapping

getting

runner

spotted

biggish

jogger

funny

snobbish

snappy
