

Handwriting sheet: Precursive Arrow worksheet

Word list: *re* words

The prefix *re* often signals repetition or a return to an earlier state, and it uses just the letter *e* for the long /e/ sound. Words like *repeat* and *return* reflect this idea of doing something again or going back to a previous place.

Explore the following *re* words to become more familiar with how they're used in different contexts.

react

recall

recent

record

reflect

refund
