

## Handwriting sheet: Precursive Arrow worksheet

Word list: *ought* and *aught* words

In many words, the letter combinations *ought* and *aught* represent the same /ort/ sound.

This list includes words like *bought*, *thought*, and *naughty*, all of which feature either the *ought* or the *aught* spelling. By learning this pattern, you'll be able to spell these words correctly and use them confidently in your writing. Try a *Look, Say, Cover, Write, Check* activity to improve your spelling of these tricky yet common words!
