

Spelling list: Unit 14 homophones - set 3

In this list, we explore a final set of homophones featuring the /or/ sound. These words that sound the same but are spelled differently and have distinct meanings.

For instance, *sauce* (a topping for food) and *source* (the origin of something) or *ball* (a round object used in sports or play) and *bawl* are pairs of words that sound similar but mean different things.

Getting confident with these words will help you avoid spelling mistakes and improve your writing. Use a *Learn the Words* activity with these homophones to strengthen your understanding and usage!
