

Spelling list: *u-e* words - set 1

The long /u/ sound in these words is spelled with the letters *u-e* , where the silent e changes the vowel sound. These words are short but cover a range of meanings and uses.

For instance, a *cube* is a 3D shape with six equal sides, making it a common term in geometry. A *mule* is a hybrid animal, bred from a horse and a donkey, often associated with hard work. The word *use* works as both a noun and a verb, while *fume* can refer to vapours or express strong emotions like anger. This list provides an excellent introduction to the *u-e* spelling pattern.
