

Spelling list: Final consonant blends - set 6

This list focuses on essential words that incorporate final consonant blends. A final consonant blend consists of two or more consonants at the end of a word, like *sk* in *mask*. These words are common in everyday language and will help build a strong spelling foundation. Regular practice using the activities below will improve reading and writing skills.

mask	He swam with his mask and snorkel.
cost	The sweets only cost a few pennies.
bank	The bank is closing early today.
yelp	The dog let out a yelp .
test	She studied hard for her spelling test .
left	I wish I knew where I left my keys.
soft	The butter was soft and easy to spread.
best	I am the best at spelling in my class.
