

Spelling list: Two syllable words - set 2

Two-syllable words are words that can be separated into two easy segments or beats. Each segment contains its own vowel sound. For instance, *denim* divides into *den* and *im* .

denim	Her handbag is made of denim .
panic	If she gets lost she will panic .
timid	The puppy was very timid .
visit	Did you see a kangaroo during your visit to Australia?
picnic	The drinks are in the picnic box.
cactus	You can prick your skin on a cactus .
public	That man will not let the public go on his land.
infect	A bad cut can infect your leg.
